**JUPITER, FLA (Nov 7, 2023):** TGL presented by SoFi, the new tech-forward, prime time team golf league developed by Tiger Woods and Rory McIlroy's TMRW Sports in partnership with the PGA TOUR, today announced the formation of Jupiter Links Golf Club, the sixth and final TGL team, with an ownership group led by Tiger Woods' TGR Ventures and David Blitzer. Additionally, Woods is the first TGL player to be announced on Jupiter Links GC's roster. The announcement was made today by Woods, Blitzer, and Mike McCarley, CEO, TMRW Sports and TGL.

"Through its use of technology, TGL is a modern twist of traditional golf and ultimately will make the sport I love more accessible. Having the opportunity to not only compete, but also own a team to represent Jupiter is an exciting next chapter for me. I expect Jupiter Links GC to showcase the golf culture of my hometown as we compete against the best players in the world," said Woods.

"Tiger Woods is one of the most influential and iconic athletes in the history of sports and I'm thrilled to partner with him to form Jupiter Links GC," Blitzer said. "Golf is a sport that has a proven ability to bring people together from all over the world and I'm excited by the potential reach and impact we can have as a team and league. By harnessing the power of technology and innovation and leveraging the skill and expertise of the game's most transcendent and accomplished player, our team is well positioned for long-term success," said Blitzer.

"Tiger Woods and David Blitzer form a winning combination as the last of TGL's original six ownership groups for our inaugural season. Tiger and David are prepared to be great business partners with the league and other teams, but both are super competitive in their daily lives and we expect that competitiveness to be on full display inside the SoFi Center in January," said McCarley.

TGR Ventures' portfolio also includes The Woods Jupiter, TGR Design, TGR Foundation, Full Swing Golf, TMRW Sports Group, and T-Squared Social. TGR unites Tiger's entrepreneurial and philanthropic endeavors off the course under a single parent brand driven by a mindset, method, and pursuit of mastery.

David Blitzer is personally investing in Jupiter Links GC and is the first to hold equity in five North American major sports teams. Blitzer founded Harris Blitzer Sports & Entertainment with Josh Harris and is co-

chairman and managing partner of its portfolio highlighted by the Philadelphia 76ers, New Jersey Devils, Prudential Center in Newark, NJ, and Joe Gibbs Racing. Blitzer also is a co-owner of the Cleveland Guardians and Washington Commanders. Additionally, Blitzer is a General Partner of Crystal Palace Football Club and owns stakes in a variety of soccer clubs around the globe, including Real Salt Lake of Major League Soccer and the Utah Royals of the National Women's Soccer League.

Team brands, front office staff, and team rosters will continue to be unveiled, as will the inaugural schedule and other operational and fan-centric elements of TGL presented by SoFi.
