business climate.

BDB BUSINESS DEVELOPMENT BOARD
**PALM BEACH
COUNTY**
Your Economic Development Resource

Information Technology Ecosystem

Palm Beach County is one of the largest counties in Florida, a state that was ranked #1 in high-tech employment for the Southeast, #4 in total high-tech employment nationwide, and among the nation's top producers of STEM graduates. Simply put, it's an information technology hub.

Palm Beach County is Home to:

- Home to some of the world's largest cell tower companies located within miles from each other in Boca Raton (SBA Communications, Crown Castle USA, Vertical Bridge, and Phoenix Tower International)
- The creation of the first IBM PC in Boca Raton
- The world's first smartphone, "Simon Personal Communicator"
- Over 70 corporate headquarters, most of which have large technology presences

Who We Are

The Business Development Board of Palm Beach County is the official public/private economic development organization for Palm Beach County, and Palm Beach County partner of Enterprise Florida. Founded in 1982 as a not-for-profit corporation, our primary purpose is to attract and retain a spectrum of new industry, business investment, high-quality jobs, and workforce development through corporate relocations, expansions, and international trade, stimulating economic energy, promoting business diversity, and enriching the County's vitality. The Business Development Board is essentially your one-stop resource for information on relocating your business to or expanding in Palm Beach County.

The BDB offers free and confidential services, including:

- Confidential project management assistance
- Site inventory on available industrial buildings, land, and office space
- Site tours conducted by our relocation and expansion staff
- Information on grants, financial assistance, and financial incentives available through the State of Florida, Palm Beach County, and local municipalities
- Introductions to CareerSource Palm Beach County's employee-training programs
- Tours of public and private educational institutions
- Introductions to government and business leaders
- Provide information on available housing and cost-of-living data
- Information on government zoning and permitting
- Local buyer and supplier information
- Demographics and labor market information
- Available services and rates for utilities, communications, and transportation
- Overview of Palm Beach County's lifestyle, including recreational and cultural amenities for relocating families

During the past five years, the BDB has assisted companies that have created more than 12,822 direct jobs with average salaries greater than \$69,062, resulting in more than \$777 million in capital investment to Palm Beach County and an economic impact that exceeds \$6.87 billion.

Additional information can be found at the BDB's website, BDB.org.
